

## 7HO8885 EMPHASIS: From the Family that Emphasizes Type

New World Wide Sires graduate 7HO8885 Henkeseen EMPHASIS-ET blends superior type with solid fitness traits and hails from the same family as the popular 7HO8190 SANCHEZ. EMPHASIS strengthens the WWS lineup as the only active A.I. sire that is +3.00 or better for both UDC and FLC. His UDC of +3.53 is more than half a point higher than any other Holstein bull!

EMPHASIS daughters carry their udders well above the hock (+3.80 Udder Depth) with high, wide rear udders and welded-on fore udders (+4.08 Fore Udder Attachment). These tremendous mammary systems, combined with his +3.00 FLC, +4.08 Foot Angle, and moderate body size, make EMPHASIS an excellent choice for free stall breeding programs. Furthermore, EMPHASIS daughters will stand the test of time as he ranks among the top 10 WWS bulls for SCS at +2.63 and boasts an impressive PL of +3.6.

**Shipley Emphasis 3031-Grade**

**Stuyt Sanchez O-My**

The outstanding type displayed by EMPHASIS comes as no surprise as both he and SANCHEZ hail from the world-famous Henkeseen M Hillary-ET (EX-94 3E GMD DOM). Hillary produced over 90,000 kg of lifetime milk and is the dam of 11 Excellent and 15 Very Good daughters. With the January 2010 genetic evaluations, SANCHEZ remains the No. 3 PTAT Holstein sire at +3.13, and EMPHASIS ranks No. 15 in the breed at +2.51 PTAT. Furthermore, the dam of EMPHASIS, Kerndtway Durham Emily-ET (EX-92 GMD DOM), is a full sister to Duplex, the top conformation sire in Canada. The second dam of EMPHASIS, Henkeseen Hills Emerald-ET (EX-91 2E GMD DOM), is a full sister to 7HO5742 HILLCREST.

In addition to his dazzling type profile, solid fitness traits, and reliable pedigree, EMPHASIS can be used without hesitation on heifers at 7% SCE. EMPHASIS is a logical cross on daughters of 7HO7037 MILES, 7HO7596 LAURIN, 7HO7735 CADET, and 7HO7712 SOCRATES.

***World Wide Sires, Ltd. remains at the forefront in providing exceptional genetics for outstanding type and phenomenal production.
